

ACCOUNTING EDUCATION

Accounting courses provide the essential foundation needed to succeed in these career areas:

- *Management*: general management, financial management, budget management, assets management, controller, treasurer
- *Private Accounting*: general financial accounting, accounting information systems design, cost accounting, budgeting, taxation, internal auditing, data processing, and accounting for non-profit organizations
- *Public Accounting*—CPAs: auditing, tax compliance and tax planning services, management advisory services, computerized accounting systems
- *Accounting Education*: teaching, research, consulting

Those interested in preparing for immediate employment or advancement should consider:

1. The 3-level Accounting Assistant/Bookkeeper Certificate that prepares students to be bookkeepers - entry level to full charge - in businesses that have computerized or manual accounting systems; or
2. The Associate Degree in Accounting that prepares students for advanced academic work in accounting (transfer to four-year institutions), or for employment and/or promotion to more responsible positions in accounting or business.

Tutorial Opportunities

Tutors are provided for Accounting students and are available to help students five days a week. Outstanding students in Business and Accounting are selected to serve as paid tutors.
