ACCOUNTING EDUCATION

Program Description
Accounting courses provide the essential foundation needed to succeed in these career areas:

- **Management**: general management, financial management, budget management, assets management, controller, treasurer
- **Private Accounting**: general financial accounting, accounting information systems design, cost accounting, budgeting, taxation, internal auditing, data processing
- **Public Accounting**: CPAs: auditing, tax compliance and tax planning services, management advisory services, computerized accounting systems
- **Government Accounting**
- **Accounting Education**: teaching, research, consulting

Those interested in preparing for immediate employment or advancement should consider:

1. The Skills Competency Award in Bookkeeping that prepares students for working in the areas of entry-level bookkeeper (for small business, sole proprietorship) or accounting clerk (accounts payable or accounts receivable, under supervision of an accounting supervisor).
2. The Accounting Assistant/Bookkeeper Certificate that prepares students to be full-charge bookkeepers in businesses that have computerized or manual accounting systems; or
3. The Associate Degree in Accounting that prepares students for advanced academic work in accounting (transfer to four-year institutions), or for employment and/or promotion to more responsible positions in accounting or business.

Tutorial Opportunities
Tutors are provided for Accounting students and are available to help students five days a week. Outstanding students in Business and Accounting are selected to serve as paid tutors.

Program Cost and Outcome
For planning purposes, the website below provides information on the cost of attendance, program length (assuming a student attends full-time), financing options and historical student completion rates: http://www.sbcc.edu/financialaid/gainfulemployment
