Adult High School and GED

The Adult High School (AHS) Diploma Program is designed for adults who want to earn their high school diploma. Students meet with an advisor to create an individual learning plan, and work one-on-one with faculty and in small groups with other students. Subjects include reading comprehension, vocabulary and grammar, spelling, writing, mathematics and other subjects. Credit towards our high school completion program can be transferred from other accredited high schools or colleges. We offer free classes, student support services such as transcript analysis, assessment, orientation, registration support, academic advising/counseling and career counseling and a flexible class schedule.

GED exam preparation classes are designed for students who are 18 years of age or older who wish to earn a high school equivalency certificate. Students are given instruction in the basic skills needed, and have the opportunity to take practice tests that will help them successfully complete all GED exams. Classes are offered both daytime and evenings. GED exam preparation classes are also offered bilingually (Spanish/English).
