ART

Every time you do something, make something, it's final in a way, but it's not. It immediately raises a great set of questions. And if you become a question addict, which I am, you immediately have something you need to pursue. - Robert Irwin

Program Description

The Art Department at Santa Barbara City College provides the students an opportunity to study and experience art from a broad range of emphases: a well-structured art studio or art history curriculum for the traditional art major; as part of a structured program for majors from other departments such as MAT or Graphic Design; or for enrichment, development and fulfillment of college requirements for the non-art major.

The department offers courses in Painting, Drawing, Art History, Printmaking, 3-D Design, Studio Art Foundations (2-D), Ceramics and Sculpture to provide the student a full background and training for either transfer to another institution or to proceed independently.

The Art Department is committed to student success in its many programs by providing the highest level of instruction and experience from our foundation level courses to the upper level studio classes. We offer an Associate in Arts Degree or transfer Certificate in Studio Art and Art History and have seen many of our students successfully move on to art schools, 4-year Institutions and professional careers.

In addition, the Art Department offers an AA-T Degree in Art History for Transfer and an AA-T Degree in Studio Art for Transfer. These degrees provide the foundational knowledge in Art History or Studio Arts to students who want to earn a Baccalaureate Degree in Art History or Studio Art. These degrees are in compliance with the Student Transfer Achievement Reform Act which guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer."

Atkinson Gallery

Atkinson Gallery is SBCC’s showcase for the visual arts, located on the second floor of the Humanities Building, H-202. Atkinson Gallery currently hosts three exhibitions each academic year, closing out the year with the Annual Student Exhibition. Usually, at least two exhibitions of artists are mounted annually. Through the Atkinson Gallery, the Art Department’s dedicated gallery space, we maintain a strong commitment to our local community and have reached a broad audience through exhibition programming. Our Fine Arts Lecture Series brings speakers representing many art disciplines from across the country to our department. Dozens of innovative artists and historians have shared their journeys and directly advised our own students.

The Art Department strongly encourages students to complete the Foundation Level courses below prior to more specialized courses.

Preparation for Transfer

Course requirements for transfer vary depending upon the college or university a student wishes to attend. Therefore, it is most important for students to consult with their counselor and departmental adviser before planning an academic program for transfer. Information sheets for majors, outlining transfer requirements, are available in the Counseling Center.

Honors and Awards

Each year, the Art Department exhibits outstanding student work in the Annual Student Exhibition. This past year, the Art Department awarded nearly $10,000 in scholarships and awards at the Annual Student Exhibition. The department also selects an Outstanding Art History Student and an Outstanding Art Studio Student each year.

Field Trips and Study Abroad

The Art Department sponsors field trips to major Southern California museums and galleries as adjunct support for its curriculum. The Art Department participates in the Study Abroad Program and has been part of programs in Italy, Cuba, France and Spain. Upcoming Study Abroad Programs will include Berlin, Summer 2019 and London, Winter 2019/2020.
