FINANCE

Overview
The Finance Program offers personal and professional finance courses leading to state-approved certificate and transfer degree programs in finance. Students interested in the financial services industry should consider the course of study described for the Finance Certificate. Additional courses in personal money management and real estate investment offer opportunities for personal development. These programs have been designed in consultation with leading local professionals. Commercial and investment banks, savings and loans, credit unions, thrifts, and finance companies are looking for candidates with these skills.

Finance classes are also a great segway to other fields in the world of Accounting, Business, Economics, Marketing, and Real Estate.
