

# HISTORY, ASSOCIATE IN ARTS FOR TRANSFER (AA-T)

The goal of the History Program at Santa Barbara City College is to prepare students to develop the fundamental understanding of history, the disciplined study of the human past. Santa Barbara City College offers a varied and integrated curriculum in history. The History Department provides the opportunity to pursue creative, critical and analytical historical thought in a rigorous manner. Central to the liberal arts, history supplies a solid foundation for business, legal studies and education, as well as graduate study.

The Associate in Arts for Transfer degree in History provides students with the foundational knowledge necessary to make a successful transition into a Baccalaureate Degree at any of the CSU campuses. The Associate Degree for Transfer (AA-T or AS-T) is a special degree offered at California Community Colleges. Students who earn an AA-T or AS-T degree are guaranteed admission to a campus within the California State University (CSU) system in a similar major, although not necessarily to a specific campus. Students who complete an AA-T or AS-T are given priority consideration when applying to a particular program that is similar to the student's community college major and will be given a special GPA advantage when applying to CSU impacted campuses or majors. Students who are planning to pursue an AA-T or AS-T are strongly advised to meet with a counselor for additional information about this transfer program. Visit <https://adegreewithaguarantee.com/> for more information about these degrees.
