**HISTORY**

**Program Description**
History is the disciplined study of the human past. Santa Barbara City College offers a varied and integrated curriculum in history. For the major, the History Department provides the opportunity to pursue creative, critical and analytical historical thought in a rigorous manner. For the non-major, the History Department’s courses offer enrichment, support and perspective to the student’s major field of interest. Central to the liberal arts, history supplies a solid foundation for business, legal studies and education, as well as graduate study. Introductory courses normally precede more specialized offerings.

**Planning a Program of Study**
The Santa Barbara City College History curriculum encompasses nearly all of the courses taken during the first two years at any branch of the University of California and the California State Universities. The offerings also duplicate the lower-division and general education history courses of many private colleges and universities.

Courses in American History satisfy the American Institutions Requirement (AIR) at SBCC, the University of California and other state and private colleges. Elective History courses are offered to meet the needs of History majors as well as of students in other academic and interdisciplinary majors.

**American Institutions (AIR)**
The American Institutions Requirement (AIR) for the Associate in Arts or Science Degrees from Santa Barbara City College may be satisfied in part or entirely by any of the following: HIST 101 History Of The U.S. To 1877 and HIST 102 History Of The U.S. Since 1865, or HIST 102H History Of The U.S. Since 1865, Honors.

**Preparation for Transfer**
Course requirements for transfer vary depending upon the college or university a student wishes to attend. Therefore, it is most important for a student to consult with his/her counselor and department adviser before planning an academic program for transfer. Information sheets for majors, outlining transfer requirements, are available in the Counseling Center.

**Honors and Awards**
The History faculty selects one student each year to be honored as “Outstanding Student.” Students are nominated by members of the faculty and selections are made on the basis of academic achievements and contributions to campus life. Honors course sections are available for able students in HIST 102 History Of The U.S. Since 1865 and HIST 104 History Of Western Civilization (HIST 113H History Of Western Civilization: 1600 To Present, Honors).

**Special Programs and Courses**
