

THEATRE ARTS, ASSOCIATE OF ARTS (AA): GENERAL

Overview

The Theatre Arts Department offers a variety of programs of study and experience suited to the needs of the serious theatre student as well as those who wish to include theater as a part of their liberal arts education.

With curricula in Acting, Design/Lighting, Costuming and Technical Production, the program provides an intensive two-year course of study that prepares Theatre Arts majors for transfer to a four-year college or university - ready to do advanced upper-division work or to enter one of the many related professions. Students have the opportunity of working in all phases of production and performance, and are encouraged to take on increasing levels of responsibility in the role of stage manager, director or other leadership positions.
