

DEGREES, CERTIFICATES AND AWARDS

Upon satisfactory completion of requirements and upon approval of the Board of Trustees students may earn the following credit programs of study:

- **Associate Degree for Transfer - Associate in Arts for Transfer (AA-T) Degree and Associate in Science for Transfer (AS-T) Degree**

An Associate Degree for Transfer guarantees admission into the CSU system in a similar major but not necessarily to a particular campus. Participating Historically Black Colleges and Universities, fully online and out-of-state universities and independent, non-profit universities in California, guarantee admission into the exact campus to which students apply and to the major students want to pursue. For more information, visit: <https://icangotocollege.com/?sitekey=adegree>.

- **Associate Degree - Associate in Arts (AA) Degree and Associate in Science (AS) Degree**

An Associate Degree can stand alone, providing students the skills to enter the workforce or to enter a specialized career field. It can also be the first step towards earning a bachelor degree at a four-year university.

- **Certificate of Achievement (C)**

A Certificate of Achievement provides students the knowledge and training needed to enter a specialized career or enhance their skills for advancement in their job. In most cases, a Certificate of Achievement (18+ units), combined with the completion of General Education coursework may also be applied to an Associate Degree to further increase employability. Some Certificates of Achievement are designed to develop job skills in a special area of occupational education in a short period of time.

- **Skills Competency Award (SCA)**

A Skills Competency Award provides students with very specific skills to prepare them for entry-level jobs or to upgrade or advance in an existing field of study. A Skills Competency Award is granted by the college and it is not reflected on the student's official transcript.

- **Department Award (D)**

The Department Award recognizes achievement by students interested in specialized fields of study. The curriculum is designed with the student's career goals, interests and talents in mind. A Department Award is granted by the SBCC department offering the award and it is not reflected on the student's official transcript.

Santa Barbara City College Transfer Recognition Award

The Transfer Recognition Award is granted to any student who has completed a minimum of 24 units at Santa Barbara City College prior to transfer and has been presented a letter of acceptance from an accredited four-year college or university. An application must be submitted by the student to the Transfer Center.

Catalog Rights

Catalog rights permit the students who are continuously enrolled at the institution to select the catalog year the student will follow for the General Education and degree/certificate requirements provided the catalog selected is one of the following:

- The catalog in effect at the time of initial enrollment;
- The catalog in effect at the time of graduation; or
- Any catalog year between initial enrollment and graduation.

For purposes of determining catalog rights, the catalog year starts in the Fall (Fall/Spring/Summer).

Multiple Degrees/Multiple Majors

A student may earn AA, AA-T, AS, and AS-T Degrees for which all local and state requirements have been met. All majors in which degree requirements have been met will be noted on both the student's transcript and the diploma.

AA-T/AS-T Degrees

Santa Barbara City College Associate in Arts and Associate in Science for Transfer Degrees

Click on this link for a list of SBCC Associate Degrees for Transfer and for specific course requirements. (<https://catalog.sbcc.edu/programs/programtype/>)

The Student Transfer Achievement Reform Act (Senate Bill 1440, codified in *California Education Code* sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "Associate Degree for transfer", a variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. For the latest information about transfer degrees, visit <https://icangotocollege.com/?sitekey=adegree>.

Students who have a verified AA-T or AS-T degree and meet the CSU's upper-division transfer admission eligibility requirements, but who have not been admitted to the CSU of their choice because that campus does not have enough space, they will be redirected to an alternate campus. To learn more, go to the Redirection page on Cal State Apply (<https://www2.calstate.edu/apply/redirection/>).

At the time of this Catalog publication, a student may earn the following AA-T/AS-T degrees at SBCC:

- Administration of Justice (AS-T)
- Anthropology (AA-T)
- Art History (AA-T)
- Biology (AS-T)
- Business Administration 2.0 (AS-T)
- Child and Adolescent Development (AA-T)
- Communication Studies 2.0 (AA-T)
- Computer Science (AS-T)
- Early Childhood Education (AS-T)
- Economics (AA-T)
- Elementary Teacher Education: Integrated Programs (AA-T)
- English (AA-T)
- Environmental Science (AS-T)
- Film, Television and Electronic Media (AS-T)
- Geography (AA-T)
- Geology (AS-T)
- Global Studies (AA-T)
- History (AA-T)
- Journalism (AA-T)
- Kinesiology (AA-T)
- Law, Public Policy and Society (AA-T)
- Mathematics (AS-T)
- Music (AA-T)
- Nutrition and Dietetics (AS-T)
- Philosophy (AA-T)
- Physics (AS-T)
- Political Science (AA-T)
- Psychology (AA-T)
- Social Work and Human Services (AA-T)
- Sociology (AA-T)
- Spanish (AA-T)
- Studio Arts (AA-T)
- Theatre Arts (AA-T)

Additional majors are under development. For more information, refer to appropriate Catalog section and see an academic counselor.

SBCC AA-T and AS-T Graduation Requirements

The following is required for all AA-T or AS-T degrees:

1. A minimum of 18 semester units in an "AA-T" or "AS-T" major as detailed in the appropriate departmental section of this Catalog. All courses in the major must be completed with a grade of "C" or better or Pass (Title 5 § 55063).
2. Cal-GETC (<https://catalog.sbccc.edu/transfer-curricula/#igetctext>) pattern.
3. At least 60 CSU transferable semester units.
4. Achieve a minimum GPA of 2.0 in all CSU transferable coursework.
5. A minimum of 12 units through SBCC.

AA/AS Degrees Santa Barbara City College Associate in Arts/Science Degrees

Click on this link for a list of SBCC Associate Degrees and for specific course requirements (<https://catalog.sbccc.edu/programs/programtype/#associatesdegreestext>).

The awarding of an Associate Degree represents more than an accumulation of units. It symbolizes a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights.

Among these are the ability to think and to communicate clearly and effectively, both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for, and sense of, self-understanding. In addition to these accomplishments, the student should possess sufficient depth in some field of knowledge to contribute to lifetime interest.

The governing board of the Santa Barbara Community College District shall confer the degree of Associate in Arts or Associate in Science upon a student who has demonstrated competence in reading, written expression and mathematics, and who has satisfactorily completed at least 60 semester units of college work. This coursework requirement will be fulfilled in a curriculum accepted toward the degree by the college (SBCC courses numbered 100 and higher and C1000 and higher as shown in this *Catalog*). It must include at least 25 semester units in General Education and at least 18 semester units in a major.

Students who major in Liberal Studies, or are undecided about a major, should refer to "Liberal Studies" in this *Catalog's* Index.

SANTA BARBARA CITY COLLEGE ASSOCIATE IN ARTS AND ASSOCIATE IN SCIENCE DEGREE GRADUATION REQUIREMENTS

The Associate Degree will be awarded upon completion of the following:

1. All Major Requirements listed below with a "C" or better or "P" in each course (at least 20% of the major requirements must be completed through SBCC).
2. One of the following General Education options:
 - a. OPTION 1: SBCC General Education (p. 2) pattern OR
 - b. OPTION 2: Cal-GETC (<https://catalog.sbccc.edu/transfer-curricula/#igetctext>) pattern
3. A minimum of 60 semester units of degree-applicable college credit (SBCC courses numbered 100 and higher and C1000 and higher).
4. Maintain a cumulative GPA of 2.0 or higher in degree-applicable coursework.
5. A minimum of 12 units through SBCC.

SANTA BARBARA CITY COLLEGE GENERAL EDUCATION Philosophy of General Education

The General Education program at Santa Barbara City College outlines a core curriculum that provides an opportunity for students to explore elements of the intellectual and ethical traditions to which they belong. The faculty believes that this common core is of general and lasting intellectual significance and that it will establish a foundation for the

lifelong process of intellectual inquiry and the integration of knowledge, skills, attitudes and experiences.

College-educated persons should be able to use this knowledge when evaluating and appreciating the physical environment, the culture and the society in which they live. Most important, General Education should lead to better self-understanding. The General Education program has several major objectives:

- To cultivate the intellectual processes of learning and to examine methods for acquiring, integrating and applying knowledge.
- To help students understand the conditions and forces which shape their lives and thus help them to cope with a complex and changing world.
- To explore elements of our common human nature and to assist students in applying critical and informed judgments to the cultural achievements of their own and other cultures.

General Education Requirements (SBCC GE Areas 1-7)

A new SBCC General Education pattern was developed in Fall 2025 in response to changes in Title 5 regulations. The SBCC General Education pattern requires a minimum of 24-25 semester units across seven general education areas, totaling 7 courses.

SBCC students with catalog rights prior to Fall 2025 may continue to follow the old SBCC General Education requirements. Please refer to previous SBCC catalogs (<https://catalog.sbcc.edu/archive/>) or consult an SBCC counselor for requirements for the old SBCC General Education pattern.

Complete a minimum of 24-25 semester units of General Education courses to include at least one course from each of the following areas:

- SBCC GE Area 1 - English Composition, Oral Communication and Critical Thinking
 - 1A - English Composition (one course, 3-4 semester or 4 quarter units)
 - 1B - Oral Communication/Critical Thinking (one course, 3 semester or 4 quarter units)
- SBCC GE Area 2 - Mathematical Concepts and Quantitative Reasoning (one course, 3 semester or 4 quarter units)
- SBCC GE Area 3 - Arts and Humanities (one course, 3 semester or 4 quarter units)
- SBCC GE Area 4 - Social and Behavioral Sciences (one course, 3 semester or 4 quarter units)
- SBCC GE Area 5 - Natural Sciences (one course, 3 semester or 4 quarter units)
- SBCC GE Area 6 - Ethnic Studies (one course, 3 semester or 4 quarter units)
- SBCC GE Area 7 - Applied Living Skills (one course or a combination of courses, 3 semester or 4 quarter units)

Santa Barbara City College General Education (Areas 1-7) Approved Courses

This General Education pattern applies only to local Associate Degrees (AA/AS) and does not apply to Associate Degrees for Transfer (AA-T/AS-T). To earn a local Associate Degree (AA/AS), students must complete either the SBCC General Education pattern or the Cal-GETC pattern. For an Associate Degree for Transfer (AA-T/AS-T), completion of the Cal-GETC pattern is required.

Students should refer to the specific Associate Degree program (<https://catalog.sbcc.edu/programs/programtype/>) (AA, AS, AA-T, or AS-T) for detailed information on Major Requirements, Graduation Requirements, and available General Education options.

Complete a minimum of 24-25 semester units (or 36 quarter units) of General Education from Areas 1-7 distributed as indicated below. **Courses listed in more than one area of GE can only be used to meet one area (double counting is not allowed)**

SBCC GE Area 1. English Composition, Oral Communication/Critical Thinking (minimum 6-7 semester units or 8 quarter units)

Complete one course in 1A and one course in 1B. Each course must be completed with a grade of C or better or Pass.

1A. English Composition (minimum 3-4 semester units or 4 quarter units)

Code	Title	Units
ENGL C1000	Academic Reading and Writing	4
ENGL C1000E	Academic Reading and Writing	4
ENGL C1000H	Academic Reading and Writing - Honors	4

1B. Oral Communication/Critical Thinking (minimum 3 semester units or 4 quarter units)

Code	Title	Units
COMM 121	Interpersonal Communication	3
COMM 121H	Interpersonal Communication, Honors	3
COMM 141	Small Group Communication	3
COMM 161	Communication in Organizations	3
COMM 235	Argumentation and Debate	3
COMM C1000	Introduction to Public Speaking	3
COMM C1000H	Introduction to Public Speaking - Honors	3
ENG 103	Critical Thinking and Reading	3
ENG 111	Critical Thinking and Composition Through Literature	3
ENG 111H	Critical Thinking and Composition Through Literature, Honors	3
ENGL C1001	Critical Thinking and Writing	3
PHIL 111	Critical Thinking And Writing In Philosophy	3
PHIL 205	Introduction to Logic	3

SBCC GE Area 2. Mathematical Concepts and Quantitative Reasoning (minimum 3 semester units or 4 quarter units)

Complete one of the following courses with a grade of C or better or "Pass"

Code	Title	Units
CS 108	Discrete Structures	4
CS/MATH 118	Data Science for All	4
CS 133	Introduction to Programming for Engineers	3
FIN 100	Personal Finance	3
MATH 108	Mathematical Concepts for Elementary School Teachers-Number Systems	4
MATH 114	Mathematics for Liberal Arts Majors	4

MATH/CS 118	Data Science for All	4	ART 120	Fundamentals Of Drawing	3
MATH 130	Calculus for Biological Sciences, Social Sciences and Business I	5	ART 130	Integrated Drawing and Painting	3

Certificates

Santa Barbara City College Certificates of Achievement

Click on this link for a list of SBCC Certificates of Achievement and for specific course requirements (<https://catalog.sbcc.edu/programs/programtype/#certificatestext>).

A state-approved program of study, designed to prepare students for job entry or career advancement, allows for Certificate programs comprised primarily of courses within a specific discipline. For most Certificate programs, students must complete all department requirements with a cumulative grade point average (GPA) of 2.0 or better. Some Certificate programs require a "C" or better or Pass in every course. Candidates for a Certificate of Achievement are required to complete at least 20% of the major requirements in residence at SBCC. Some certificates may require a higher percentage of requirements completed in residence at SBCC. Certificates of Achievement differ from Associate Degrees in that they do not require completion of SBCC Graduation Requirements for the Associate Degree.

Skills Competency Awards

Santa Barbara City College Skills Competency Awards

Click on this link for a list of SBCC Skills Competency Awards and for specific course requirements (<https://catalog.sbcc.edu/programs/programtype/#skillscompetencyawardstext>).

The Skills Competency Award (SCA) Program identifies courses which, when taken together, will best prepare students to enter the work force in their chosen field. Candidates for a Skills Competency Award are expected to complete at least 20% of the major requirements in residence

at SBCC. Some SCAs may require a higher percentage of requirements completed in residence at SBCC. Skills Competency Awards are not state-approved. These awards provide future employers with verification that the student has mastered core competencies. Students must complete each required course with a "C" or better or Pass (P).

Department Awards

Santa Barbara City College Department Awards

Click on this link for a list of SBCC Department Awards and for specific course requirements (<https://catalog.sbcc.edu/programs/programtype/#departmentalawardstext>).

Department Awards are designed to provide students with needed skills in a particular area in a short period of time. Department Awards are not state-approved. They are offered to provide recognition of achievement in the following areas:

- Bio-Medical Sciences
- Game Design
- Marine Science
- Music
- Natural History
