Registration Procedures

Registration is the process of becoming officially enrolled in college. At Santa Barbara City College, registration for new, transfer and returning students consists of the following steps:

1. Submit an Application for Admission

Applications may be submitted online months (Summer/Fall – January; Spring – early October) before you intend to register. High school students participating in dual enrollment must complete an Admissions Application and Dual Enrollment Approval Form. Refer to the Steps to Enrollment website (http://www.sbcc.edu/apply) for more information.

Official transcripts of all high school and college work are important documents to have on file for proper counseling/advisement, prerequisite and corequisite review and are required for awarding of degrees. International transcripts must be submitted with an official translation in English.

All official college correspondence will be sent to your SBCC e-mail account.

3. Apply for Financial Aid

All students are encouraged to apply for financial aid. Santa Barbara City College offers several types of financial aid, which are funded through federal, state and local agencies and the college itself. Refer to the Financial Aid website (http://www.sbcc.edu/financialaid), as well as the Financial Aid section of this Catalog.

4. Orientation

Orientation is required for all new and new transfer students who have a goal of earning an Associate Degree, Certificate of Achievement, developing basic English/reading or math skills, or transferring to a four-year college or university. All other students are strongly urged to participate in Orientation. By participating in Orientation, students will learn about college services, programs and enrollment procedures. Options for completing Orientation may be found by visiting the Orientation website (http://www.sbcc.edu/orientation).

5. Assessment and Prerequisites

When students file an application for admission to the college, they receive information regarding assessment and prerequisite requirements.

Math & English assessment tests are no longer required.

SBCC uses multiple measures, including high school grade point average, coursework, and specific grades for placement into Math & English courses that are not English as a Second Language courses. This data was collected when you applied to the college. If we do not have your high school information, you will need to submit a supplemental form.

Continuing Students: Before registering for courses, double check your placements in Pipeline (http://www.sbcc.edu/assessmentcenter/files/HS%20Data%20form%20instructions.pdf) - they may have changed.

Prerequisites, Prerequisites Verification and Corequisites

Many courses at Santa Barbara City College have enforced prerequisites or corequisites, which are noted in the Schedule of Classes. All students are required to meet prerequisite and corequisite standards prior to registering in such courses. Prerequisites and corequisites satisfied by SBCC coursework or SBCC assessment will be checked automatically.
at point of registration. Satisfaction of prerequisites through external course work and/or other means requires submission of official transcripts and a Prerequisite Verification Form. Satisfactory completion of prerequisites and corequisites by internal and external coursework requires a "satisfactory grade". Satisfactory grades are defined as A+, A, A-, B+, B, B-, C+, C or P (California Code of Regulations, Title 5, Chapter 6, 55000(l)). Verification forms and instructions may be accessed by visiting the Transcript Evaluation Office website (http://sbcc.edu/teo).

Skills Advisory Recommendations
In addition to prerequisites, many Santa Barbara City College courses have recommended minimum math and/or English advisories, which are noted in the Schedule of Classes. Advisories have been established as a means of alerting students to the minimum standards necessary for class success. Enrollment in such courses is recommended for students who have met the eligibility level prescribed.

Test Availability
Assessment tests are offered prior to registration each semester. Testing is available by appointment only, please visit the Assessment website (http://www.sbcc.edu/assessment). Students who require accommodation for testing should contact SBCC's Disabled Student Programs and Services (DSPS) to make advance arrangements.

Assessment Alternatives (Testing not required)
Alternatives to Assessment testing are listed below. Students may bring or mail verification to the Assessment Center (Rm. SS-251). Visit the Assessment website (http://www.sbcc.edu/assessment) and click on "Alternatives to Testing" to begin the evaluation and review process prior to enrollment. 6. Class Planning
Class Planning is required of all students who have never attended college or attended while in high school, and who plan to earn an Associate Degree, a certificate or transfer to a four-year college. Class Planning is also strongly recommended for returning students and students transferring to SBCC from another college. Class Planning will assist you in:

- Learning about SBCC degree requirements
- Learning about transfer requirements
- Choosing appropriate courses to meet your educational goals
- Interpreting English and math assessment test results
- Understanding prerequisites and skills advisories
- Understanding registration procedures
- Developing a Student Education Plan based on your educational goals, study skills, work and personal responsibilities

If you are transferring from other colleges or universities you should confirm that your official college transcripts are on file with Admissions & Records, by reviewing your Pipeline account prior to meeting with a counselor. Alternatively, you may bring unofficial copies to the advising session.

7. Register in Classes
Following Assessment, Orientation and Advising, students will have sufficient information to register in classes. Registration is available online and in person in Admissions & Records (SS-110). Priority registration requires an assigned appointment, which is visible in the student portal—Pipeline. No appointment is required during open registration.

During the first two weeks of the semester (first week in Summer) (see each course reference number on the Classes website (http://www.sbcc.edu/classes) for deadlines), students may make changes and/or add courses to their schedule with permission from the instructor.

Late Registration
Once a class closes or the registration period concludes, classes may only be added by obtaining permission from the instructor through the last day to add deadline.

1. Full semester-length Fall/Spring classes must be added with instructor permission and add authorization code by the end of the second week of the semester.
2. Fall/Spring courses less than full semester in length and all Summer courses must be added prior to the 20% length of the class. Find the last day to add by clicking on the CRN from the semester web schedule of classes

An instructor may refuse to admit a late registrant when the total number of class hours missed by the student exceeds the number of hours the class meets in one week; when the work missed cannot be made up; when the class is full; or when normal progress in the course would be impossible or unsafe. Special instructions for late registration are available from Admissions & Records.
Students who miss the last day to add deadline for a course due to extenuating circumstances may submit a Petition for Late Add to Admissions & Records. In order to be eligible for consideration of a late add, a student must have begun attending the course prior to the last day to add deadline. Instructor approval and signature is required for consideration. The final deadline to submit a Petition for Late Add is the end of the 4th week of the semester for full semester-length classes (25% length of the class for classes less than full semester in length).

Throughout the enrollment process (including class adds, drops and withdrawals), certain deadlines are established. These deadlines are necessary in order to comply with State of California attendance regulations and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit for, or be allowed to attend, classes.

8. Final Steps

Paying Fees
Students are encouraged to pay fees at time of registration. Payment must be received within seven (7) days of registration or students may be dropped for non-payment. Students will not be dropped for non-payment after instruction has begun. As the student, you are responsible for dropping classes by the stated deadlines. If you register in a class and later change your mind, it is your responsibility to drop the class.

Students finding it difficult to pay enrollment fees should visit the Financial Aid Office at (SS-210) or visit the Financial Aid website (http://www.sbcc.edu/financialaid) before registering for classes. All fees are subject to change without notice. Refer to the Fees and Refunds section of this Catalog.

Secure Student Identification Card and Arrange Transportation, Parking and Housing
The SBCC photo I.D. card provides access to college services, including computer labs, library and learning resources center, and serves as a student MTD bus pass for those taking credit classes on the SBCC campus. Additionally, you may select to use your SBCC photo I.D. as a Campus Card, which may be used as a cash card for select campus services. Obtain your SBCC photo I.D. card in Office of Student Life (Campus Center, Room 217). Photo I.D. is required prior to issuance of the SBCC photo I.D. card.

The Office of Student Life (Campus Center, Room 217) maintains listings of available rooms, apartments, and room and board situations in the community. For housing information, visit the Housing website (http://www.sbcc.edu/housing).

Parking permits are required in order to park vehicles on campus, with the exception of Pershing Park. Parking fines will be issued for parking violations. For parking and transportation information, visit the Business Services website (http://www.sbcc.edu/businessservices/sbcccommute.php).

Purchase Books
Students are expected to purchase all textbooks, supplies and uniforms, as needed for instruction. Most materials may be purchased through the Campus Store. Textbooks may be purchased or reserved for pickup by visiting the Campus Store website (https://www.sbccbooks.com).

Class Attendance
The last step of enrollment will be completed upon attendance at the first class meeting. Students who are not in attendance at the first class meeting are considered “no-shows” and the instructor may drop such persons in order to give their seats to non-registered students seeking to enroll. Also, an instructor may withdraw a student from semester-length courses at any time for excessive absence through the 9th week of the Fall/Spring Semesters, and 60% of the class for Summer and courses less than a semester in length. As a guideline, absence is considered excessive if a student misses three (3) class meetings or the equivalent of one week of class attendance, or according to absence guidelines as published in the course syllabus.

Absence due to a verified illness may be accepted as an excused absence for a limited period of time. Students are expected to notify their instructor by e-mail and/or phone message if they are absent for a medical reason. Students are expected to make appointments for medical and dental treatments at times other than when classes are scheduled. Students anticipating or encountering extended absences due to medical, personal or family emergencies should contact the Dean, Student Affairs, Room SS-260, (805) 730-4078.

For detailed information regarding the steps to enrollment for SBCC Noncredit Educational Programs, visit the Steps to Enrollment website (http://www.sbcc.edu/apply). These processes were still under development at the time of Catalog publication.

Noncredit Course Registration
Online registration for Noncredit Educational Programs is available approximately two weeks to one month before classes start. Class registration is on a first-come, first-served basis, and no visitors or auditors are allowed. If a class is full, students are encouraged to show up to the first class meeting in case of no-shows. A student who does not attend the first meeting of a class may be dropped. If any seats are unclaimed on the first day of a class, walk-in students may then register.

Late Adds
A student may enroll in a class after it has begun if:
1. space is available,
2. the instructor permits the late enrollment and
3. the student completes the online application for admission and full registration procedure.

See your instructor.

Dropping a Class
Students who decide not to attend class must drop themselves from the class. To drop, log on to Pipeline (http://pipeline.sbcc.edu), select “Registration” and then select “Register, Add or Drop Classes.” Follow the instructions on the Add/Drop Classes page for dropping a class.
